Temple of Sound Live! Reggae, Dub & More

Following on from 'Brazilian Melt', the second installment of this groundbreaking series sees Temple Of Sound, the UK's 'globe trotting dance party', assemble 'Afro Melt'; a chilled collage of sound which weaves African musical traditions with modern production techniques. Featuring such superstars as Baaba Maal, Ladysmith Black Mambazo and Mali Music, this compilation represents the space where digital dub and tribal basslines collide.

Concept & compilation, Neil Sparkes / Temple of Sound
